Writ petition under Article 226 of the constitution of India with an affidavit praying that in the circumstances stated therein this court may be pleased to direct respondents 1 and 2 to correct the final inter state seniority list of non-gazetted officers (Ministerial cadres) of the medical department and etc.,

This writ petition coming on for hearing this day, Chief justice made the following:—

*ORDER*

The petitioner, who was working in the Civil station before it was retroceded to the Govenment of the erstwhile State of Mysore, had his services absorbed in the Medical Department of the erstwhile State of Mysore as a clerk. The question of relative seniority inter-se the clerks of the Old Mysore State and the petitioner was a matter which had been left undecided by the Government of the Old Mysore State and was therefore decided by the Government of the New Mysore State. On the basis of the decision so taken, the petitioner was assigned rank No. 33 in the provisional ISS list of the first Divisional clerks of the medical department.

2. In the final ISS List his name does not find a place any where in the category of first division clerks of the medical department.

3. In the interim, the State Government appear to have further considered his claim for the benefit of previous service and have made a certain amended order regarding salary on 5th March 1968 indicating commencement of his service as from 1st December 1948.

4. The Government pleader states that the said last mentioned opinion of the State Government has been forwarded to the Central Government as the integrating authority.

5. The omission of the petitioner's name in the final inter state seniority list directly invokes the decision of this court in the case of S.K. Potti *Vs.* Union of India 1969 (1) Mysore Law Journal 325.

6. We therefore issue a writ directing the Central Government the 1st respondent, to examine the case of the petitioner and insert his name in the final ISS List at appropriate place in the list of I Division Clerks of the Medical Department, after giving him and other persons likely to be affected by the decisions of the Central Government an opportunity of making representations.

7. Time four months.

... *Respondents.*

(By Sri B. Ramachandra Rao, for Respt-1,
By Sri D. B. Mandappa, High Court Government, pleader for Respt.—2, others not present).

Writ petition under Article 226 of the Constitution of India with an affidavit praying that in the circumstances stated therein this Court may be pleased to quash the orders of Respondent No. 2 in No. GAD 181 INS 66 dated 2nd November 1966 published in *Mysore Gazette* dated 1st December 1966 etc.

This writ Petition coming on for hearing this day, Chief Justice, made the following:—

*ORDER*

The petitioner, who is a Stenographer allotted from the erstwhile State of Bombay to new State of Mysore complains against the rejection of his representation to equate his post with that of the Chief Reporter in the Department of Publicity and Information.

2 As the equations have been maintained without difference in both the provisional and final ISS list and the petitioner placed in Category V, whereas the Chief Reporter had been placed in the higher category No. IV and the petitioner had also full opportunity to make representations and in fact did so, the only point for consideration is whether has been a clear application of the four principles governing the formaulation of equations in the manner discussed in the Judgment of this Court in Dharmaraj V. Union of Indis, 1970 (2) Mysore Law Journal 184.

3 Although there is much Material both in the representations made by the petitioner as well as in the counter affidavit now filed by one of the Deputy Secretaries of the Central Government dealing with specially the question of integration, the matter for examination is not really whether to-day the material examined in one way would support the decision taken by the integrating authority so for as the disputed equations are concerned. The substantial question is whether the proceedings of the Advisory Committee and connected papers containing the decision of the integrating authority before the publication of the final ISS list contain sufficient evidence of the application of the said principles.

4 As the persons concerned are non-gazetted officers of the State on the matter was dealt with by the State Advisory Committee, copy where of has been placed before us by the Government Pleader, we do not find any indication of the matter having been considered in the manner mentioned above. The only clear statement of the case so far as the Petitioner's complaint is concerned is a single sentence rejecting his prayer that 'the duties of the Chief Reporter were of a higher nature than the Stenographers of Bombay'.

5 There is no alternative, therefore, but to quash the rank assigned to the petitioner in the final ISS list of the non-gazetted officers of the Department of Publicity and Information & to direct the Central Government to assign to him his correct position after considering the question of equation raised by him after giving an opportunity to him and other persons likely to be effected by the ultimate decision of the integrating authority of making representations. We order accordingly. Time six months.

A. NARAYANA PAI,
*Chief Justice.*

S. R. RANGE GOWDA,
*Judge.*
